

TRACIE SPENCE PHOTOGRAPHY

ECOSYSTEMS

Ecosystems stimulates the ecologist in everyone to have fun exploring a unique blend of exhibits with live animals and hands-on elements. From walking through a kelp forest filled with many species found off our coast to experimenting on a polar ice wall, explorers will investigate some of Earth's most fascinating ecosystems.

WORLD OF LIFE

Discover how humans and all living creatures reproduce, develop, and pass on their genes in our *Life! Beginnings* exhibit. View the tiniest lifeform through a microscope, and then peer into Tess, a 50-foot body simulator.

CREATIVE WORLD

Experience space shuttle *Endeavour's* historic flight over California and 12-mile, 68-hour journey through the streets of Los Angeles in *Mission 26: The Big Endeavour* photography exhibit. Become a fire danger detective in *Fire! Science & Safety* to discover how you can help make families, pets, and homes safer.

AIR AND SPACE

Explore our SKETCH Foundation Gallery Air and Space Exhibits — a unique collection of aircraft, spacecraft and hands-on exhibits — to discover how the principles of science help us design airplanes for any purpose, send spacecraft deep into our solar system, and build telescopes to see to the ends of the universe.

OUR MISSION

We aspire to stimulate curiosity and inspire science learning in everyone by creating fun, memorable experiences.

IMAX® THEATER

Transport yourself to awesome new worlds and engage your senses in soul-stirring sounds and endless colors on our 7-story screen! Experience the sharpest, brightest, clearest, and most vivid digital images ever produced in our state-of-the-art IMAX with Laser™ projection system.

Movie run times are approximately 40 minutes. View the latest showtimes at californiasciencecenter.org/IMAX.

SPECIAL EXHIBITIONS

We continually host new temporary exhibits from around the country—and the world. You'll find these special exhibits in our 3rd floor galleries: Weingart Foundation Special Exhibits Gallery and S. Mark Taper Foundation Sky Court Gallery.

TRACIE SPENCE PHOTOGRAPHY

ENDEAVOUR AND ET-94

Experience an engineering marvel and learn about the science, people, and historic achievements of the space shuttle program while visiting *Endeavour Together: Parts & People* and the Samuel Oschin Pavilion, *Endeavour's* temporary home. The future Samuel Oschin Air and Space Center will integrate authentic artifacts, immersive experiences, and hands-on exhibits in three major galleries: Air, Space, and Shuttle, featuring *Endeavour* in awe-inspiring "ready for launch" position.

*IMAX IS A REGISTERED TRADEMARK OF IMAX CORPORATION

HOURS

Open daily from 10 a.m. - 5 p.m.
Closed Thanksgiving, Christmas, and New Year's Day.

WATCH AN IMAX® MOVIE

Showtimes are available at the Information Desk, Box Office, on our website, or by calling (323) SCIENCE. For group reservations (15 or more people) please call (213) 744-2019.

SHOP & DINE

Enjoy daily offerings such as specialty sandwiches, salads, tacos, burritos, pizza, burgers, and more. Quick bites and drinks are also available in the IMAX Theater lobby (offered seasonally). Don't forget to visit our two amazing shops. The ExploraStore features a unique selection of scientific and educational gifts, toys, apparel, and books, while the Endeavour Store boasts an incredible collection of space shuttle and NASA gifts for space enthusiasts and future explorers.

HOLD AN EVENT

We have events down to a science! The Science Center offers the perfect setting for your next corporate, social, or non-profit event. For 40 to 6,000 guests, we provide expert event management, a variety of catering options, affordable AV packages, and more! Daytime conference package rates available. For more details, call (213) 744-7523, or visit our website at californiasciencecenter.org/private-events.

VOLUNTEER

Discover worlds of opportunities as a Science Center volunteer. For more details, visit californiasciencecenter.org/volunteer or call (213) 744-2124.

EDUCATION PROGRAMS

The Science Center offers hands-on science programs for children, families, educators, and groups. For more information, visit californiasciencecenter.org/programs or call (213) 744-7444. Check the Information Desk for our daily activity schedule.

MEMBERS & DONORS

Become a Member to support science learning for everyone, and enjoy exciting benefits and Members-only experiences! Contribute to our Partners in Learning annual giving program for a deeper connection to the Science Center with exclusive invitations to memorable events and programs. Visit the Box Office Membership Window, go to californiasciencecenter.org/give-join, or call (213) 744-7504.

SUPPORT EndeavourLA!

Help inspire a new generation of scientists, engineers, and explorers by supporting our EndeavourLA Campaign to create the future Samuel Oschin Air and Space Center. This major expansion will feature exciting new exhibits on the science of flight and space exploration, including *Endeavour* in launch position with Solid Rocket Boosters and External Tank. Learn more and join the mission at EndeavourLA.org or call (213) 744-2529.

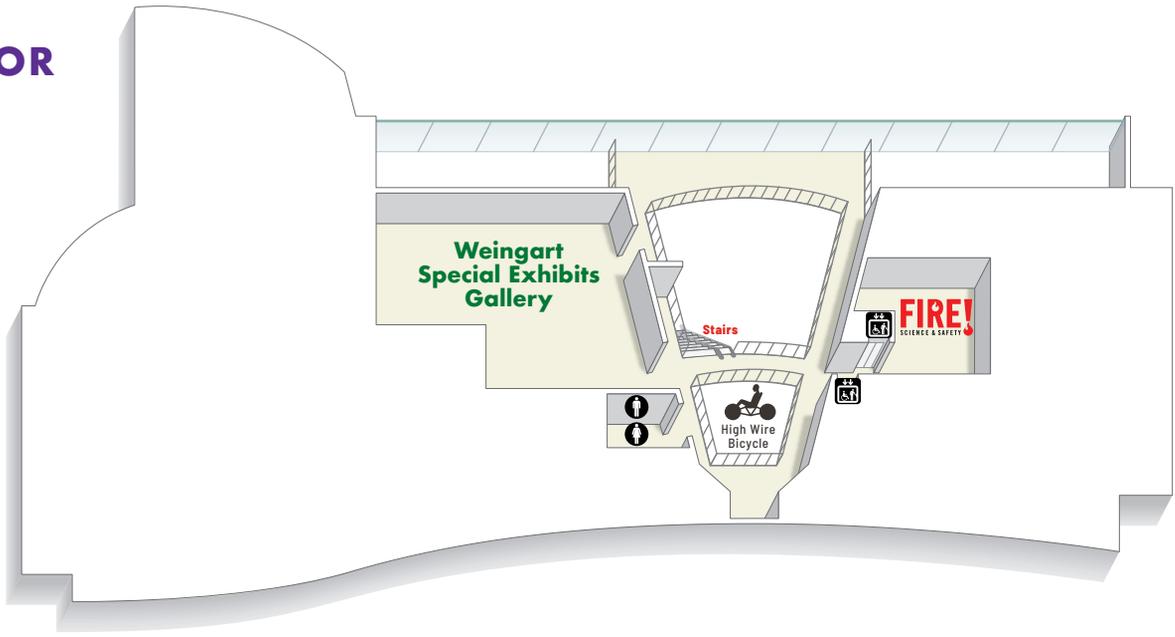

ACCESSIBILITY

Questions about accessibility? Please stop by the Information Desk, visit californiasciencecenter.org/accessibility, call (213) 744-2019, or email 4info@californiasciencecenter.org.
